Land's End. Enys Dodnan, "the island with earth upon it," is one of the strangest sights that the Land's End can provide. The top of the rock is covered with a fine green cap of turf, and through the outer side of it goes a fine natural arch, 40 feet high. Beyond is Carn Bras, on which is erected the Longships Lighthouse.

Dear Dora Ky.
thank you very much for
your nice P.C. only received it
yesterday as I have been away
Did you hear about the fire
but was very near it, all
trees & 3 other
trees to ; it upset Mo
Mother. Hope Mo
Boorne are well also
Harold & yourself. I went
back to school today. I
had a thunderstorm
With much love to
all
